

BI GAS Journal

The trade magazine of the biogas sector

Media-Kit 2019

► rate card effective from 2nd October 2018

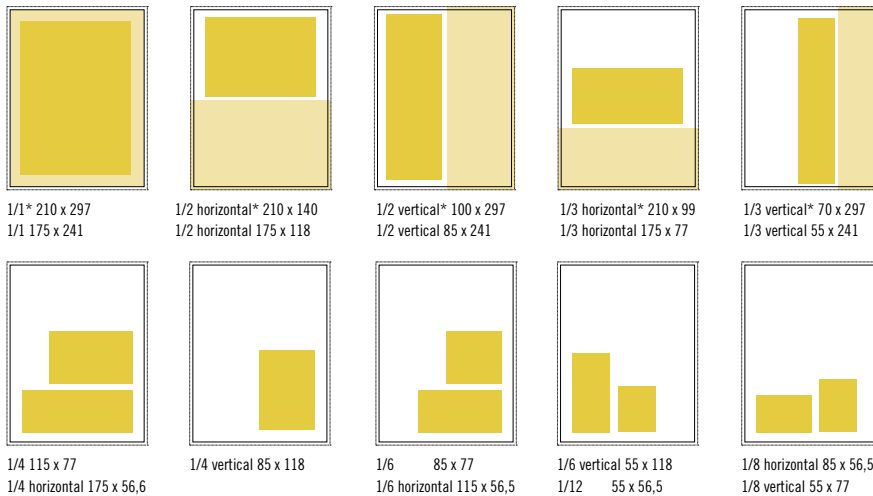

- Germany's only monothematic trade journal for the biogas sector
- With a print run of 10,000 copies Germany's highest-circulation magazine which directly reaches the biogas industry
- The German edition of the Biogas Journal is as well circulating in Austria, Switzerland, Northern Italy and in the Benelux countries
- Advertising rates will not increase for 2019
- The English edition of the Biogas Journal reaches a large international readership, thanks to the European partner associations
- Members of the German Biogas Association are offered the free publication of their press releases concerning new products or services under the headline „product news“
- Members of the German Biogas Association are entitled to reduced advert rates
